

## MSc Financial Markets and Compliance

Double degree : Ecole de Management L onard de Vinci - SKEMA Business School

"The EMLV-SKEMA MSc in Financial Markets and Compliance will prepare students for a variety of rewarding **careers in financial markets** with a specific focus on the control and compliance aspects. It provides the analytical, quantitative and decision-making skills required for success in the field. Graduates will understand financial markets, structured products, compliance and regulation through courses such as Portfolio Management, Financial Markets and Regulatory Environment, Fixed Income, Derivatives, Compliance and Corporate Governance."

**Patricia GIROD - Program Director, EMLV-SKEMA MSc Financial Markets and Compliance - Professor, SKEMA Business School.**

"The EMLV-SKEMA MSc in Financial Market and Compliance is born out of the combined vision of two institutions - the P le Universitaire L onard de Vinci and the CERAM Business School - which chose to merge their fields of expertise in order to offer students a **double diploma of high added value**.

The partnership, created in 2008, originates in the determination of each partner to anticipate firms' needs in terms of responsibilities and skills, by training future executives capable of meeting the professional and managerial demands of the global, multicultural and constantly evolving corporate world. The faculty, composed of

professors from the two schools as well as international experts, is the warranty of the academic excellence to which the program aspires."

**Elisabeth LAURENT- Director Ecole de Management L'Éonard de Vinci.**
